Hi Marcia,

I was the confirmatory chemist and Nicole was the primary chemist. The questions for the confirmatory work are pretty much the same...I have attached a copy of the questions.

Thanks,

Subject: Trial in Comm. v. [REDACTED]

This defendant does not want to plead guilty. This case is now scheduled to begin on December 16, 2009. Should only be a two-day trial. The defendant is in custody and really wants his trial, so it may well go on that day.

Kate – Many thanks for the questions you sent me to ask you. They are very helpful!

Nicole – Are you the chemist that did the confirmatory work? Do you have any questions that I can ask you on that point?

Many thanks.
